## Experience

### 2021 – 2025 **Multimedial Communications**

As part of the communications & marketing team my main job enticed graphic design and video productions. Crafting campaigns for exhibitions and other programmes and corporate branding. Digital designs, animation and print. Responsible for the design of the biannual journal, the scientific journal that has no reason to look this good. I produce videos for inside the exhibitions, online spaces and social media, helping connect our audiences with Amsterdam's rich cultural heritage.
